The Honorable Chellie Pingree
Ranking Member
House Appropriations Subcommittee on
Interior, Environment and Related Agencies

Dear Chairman Simpson and Ranking Member Pingree:

I am requesting funding for the Lynn Street Pump Station in fiscal year 2024. The recipient of this funding for would be the City of Lowell, NC located at 101 W. First Street Lowell, NC 28098. The funding would be allocated to replace an aging pump station within the town's water system. Utilizing taxpayer funds for this project is justifiable as it aims to meet the standards of the Clean Water Act by replacing aging wasterwater infrastructure to ensure clean water.

The project has a federal nexus, as its purpose aligns with the objectives authorized in Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jeff Jackson
Member of Congress
